

**MARI STATE UNIVERSITY  
MEDICAL INSTITUTE**

**Dear colleagues!  
We invite you to take part in**

**The III International Scientific and Practical Conference**

**“MEDICINE: FROM SCIENCE TO PRACTICE”**

**October 22 - 26, 2024, Yoshkar-Ola**

The Medical Institute of the Mari State University invites teachers and researchers of higher educational institutions and vocational schools, practitioners, postgraduates and doctoral students, students and residents of medical and natural science faculties/institutes, as well as students from secondary schools and medical colleges to participate in the conference.

The scientific and practical conference is aimed at exchanging information on the results of fundamental and applied research in the field of medicine.

Submitted papers will be subject to peer review and evaluated by the Organizing Committee and then published in the Proceedings included in the database “Russian Science Citation Index” (RSCI). **After reviewing, the best articles also can be recommended for publication in the scientific journal "Issues of Clinical and Fundamental Medicine" (<http://icfm.vestnik.marsu.ru/>).**

The papers are submitted in Russian or English.

Abstracts publication and participation in the conference **is free of charge**.

## **The conference includes the following sections:**

Section 1. “Fundamental Medicine”, “Preventive Medicine”

Section 2. “Surgical Diseases”

Section 3. “Therapy”,

Section 4. “Pediatrics”

Section 5. “Obstetrics and Gynecology”

Section 6. «Young scientists (for secondary schools) »

Each section includes **student competition** for the title of “The Best Student Scientific Report”.

## **Types of contribution:**

- Attending in person – Oral presentation
- Online presentation – Virtual participation
- Participation in absence (publication only)

## **Important Dates and Deadlines:**

**September 15, 2024** – participant registration and paper submission deadline

**October 22-26, 2024** – scientific and practical conference dates

## **Registration and paper submission:**

## RULES OF PARTICIPATION AND PAPERS SUBMISSION

### Paper Submission Procedure

1. To be accepted for the Conference the research papers written individually or co-authored and corresponding must relate to the Conference topics.
2. Each applicant can submit no more than three papers to the Conference.
3. You are welcome to specify the topic within the framework of the chosen topic.
4. You shall submit to the Organizing Committee of the Conference:
  - the registration form in electronic form as a separate file (\*.doc, \*.docx);
  - the materials of the article drawn up according to the rules.
5. The Papers of the Conference can be published in the Proceedings of the Scientific and Practical Conference “Medicine: from Science to Practice”. After reviewing, the best articles also can be recommended for publication in the scientific journal "Issues of Clinical and Fundamental Medicine" (<http://icfm.vestnik.marsu.ru/>).

The Organizing Committee has the right not to accept research papers that do not meet the requirements for participation in the Conference.

6. Conference venue: Mari State University (Tochka Kipenia (Boiling point), 71/1 Krasnoarmeyskaya str., Yoshkar-Ola).

### Rules for the design of articles

The text of the article should be carefully verified and contain no errors. The authors are responsible for the accuracy of the data and the scientific content of the work.

**A4** page size, margins of **2 cm** on each side.

**Times New Roman font**, size **12 pt**, line spacing **1.0**, paragraph indentation **1.25 cm**, width alignment.

The title of the work (in capital letters, bold), size 12 pt.

Author(s) – surname and initials (lowercase letters, bold italics), size 10 pt. Underlined speaker's surname.

Organization, postal address, size 10 pt.

E-mail (italics), size 10 pt.

Abstract and Keywords are presented after one-line indentation.

The text of the paper is presented after one-line indentation. The volume of the text is no more **than 5 A4 pages**, including titles, authors, organization and contact information.

Reaction diagrams should be typed in the CS ChemDraw Pro editor.

Drawings shall have 300 dpi resolution.

Font in figures and tables – Times New Roman, 10 pt.

Papers shall be submitted in the format \*.doc, \*.docx.

Within the text of the paper, references shall be given in square brackets in Arabic numerals [1], [1, 2, 3-8]. Measurement units are written, if possible, in Cyrillic separated by a space, for example, 10 mmol/l, 150 µm, 2000 g, 20 %. Latin names (*N. crassa*), as well as *de novo*, *in vivo*, etc. are written in italics. It is recommended to use “quotes”.

References should follow the rules of State Standard GOST 7.0.5-2008 and shall be presented in the order of citation within the text of the paper.

## REGISTRATION FORM

### of the Participant of the II International Scientific and Practical Conference “Medicine: from Science to Practice”

Surname, First Name, Patronymic of the participant (**the full name of the speaker**):

Full name of the organization:

Postal address of the organization with the index:

E-mail (**will be used for mail-out from the Organizing Committee to the speaker**):

Authors of the report:

Title of the report:

Section (**specify the name of the section**):

Type of contribution (**oral or publication only**):

Presentation form (**in person or virtual**):
