

ABAYA COLLECTION

Spring summer 2024

for the women of my country

DEPT FASHION STYLE

About Me :

Hello, I am Eli Hadizadeh
For my great interest in fashion and creativity I decided to learn fashion design a few years ago. I think designing clothes means creating a piece of art.
This is my first Abaya collection design. I call it (desert) and I present it to women of my country, wishing them freedom and the right of choice in life.
